

BEAST DANIEL CHAPTER 7

7:4 West	Like a lion with eagle's wings Wings torn off and will stand up on hind legs like a man. Will be given a "wicked" heart	Wings= rapid movement, victory, expansion of the kingdom. Beasts = nation or coalition of nations Plucking of wings = inability to continue – at first very powerful and unrestrained will weaken and become less restrained. Standing on two feet= decline militarily	England only nation to ever use the standing lion for its symbol (US came out of England)
7:5 second is North and East	Like a bear, raised up on one side, had three ribs in its mouth between its teeth (They said "arise devour much flesh")	Warlike nature will be told to eat it fill of flesh Attack and devour other beasts or empires Possibly Ez 38-39	Many experts say Russia and some of her allies like Iran and Iraq Perhaps bear represents Russia and 3 ribs Southern Turkey, North Syria and Iran
7:6 third is South	Like a Leopard Had back four wings of a bird Had four heads WAS GIVEN dominion	Given authority by someone rather than seizing or conquering authority Perhaps UN or NATO gives authority	Africa and Arab nations are south
4 th FINAL GENTILE WORLD KINGDOM	Dreadful and terrible. Exceedingly strong Huge iron teeth Devouring Breaking in pieces and trampling the residue with its feet DIFFERENT THAN ALL THE OTHER BEASTS BEFORE IT Had 10 horns	Represents the development of the Final Gentile world Kingdom Other beasts did not terrify Daniel but this one put terror in his courageous heart Beasts= world government 10 Horns = 10 leaders (10 Kings) that will rule over the 10 divisions of the earth	Rev 17:12-14 ¹² And the <u>ten horns which thou sawest are ten kings</u> , which have received no kingdom as yet; but receive power as kings one hour with the beast. ¹³ These have one mind, and shall give their power and strength unto the beast. ¹⁴ These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.
7:8 Little Horn	Saw another little horn coming up among them three of first horns were plucked out by the roots has eyes like man and mouth speaking pompous words	At first insignificant on the rise to power that already has 10 powerful leaders - Quickly become strong to oppose and defeat on of the 10, 2 nd and 3 rd	The Antichrist

DIFFERENCES BETWEEN CHAPTER 2 AND CHAPTER 7

Difference	Chapter 2	Chapter 7
1. Symbols are different	Materials --	Beasts
2. Number of symbols is different	Has 5 materials (gold silver, bronze, iron, iron and clay)	Has 4 beasts (lion, bear, leopard, terrifying animal)
3. Timing is different (7:1)--- four beasts will <u>rise</u> from the earth		Given in first year of Belshazzar (7:17) first beast cannot be the first material - -can't be Babylon Because Babylon had already risen..and near its demise
4. End of the kingdoms is different	First material (head of gold) did not outlive the last material (feet of iron and clay) The 2 nd did not outlive the last material And the 3 rd did not either	The first three beasts will outlive the fourth beast. (7:11-12)
5. Relationship between the kingdoms is different	5 Materials lived at different times -- gold then silver, then bronze, etc.	4 Beasts will live at the same time. The first three even witness the destruction of the fourth.
6. Gold, silver, and bronze. past history --	Will not exist when Jesus returns..	All the beasts will be alive when Jesus returns (7:11-12)
7. Daniel knew who the head of gold was but not the winged lion	Daniel knew who the head of gold was (Babylon) (7:38)	Daniel did not know who the winged lion was (7:19)
8. First three same kingdoms associated with kingdom of the Antichrist	---	First three beasts in chap 7 appear to be the same kingdoms associated with the kingdom of AC in (REV 13:2) All of them are future not past
9. In chapter 8 A two horned ram represents Medo-Persia not a bear (Dan 8:20) A male goat represents Greece not a four winged, four headed leopard (8:21)	---	---

BOTTOM LINE IS SOME KIND OF STRIFE WILL CAUSE 4 KINGDOMS, GROUPS OR COALITIONS TO APPEAR ON THE WORLD STAGE NEAR THE END OF THE AGE
